Appeal of Derek Tanberg, on behalf of The Window Store Home Improvements Inc., to an Egress Window Non-Compliance Determination at 894 ARMSTRONG AVENUE.

Rosemarie (owner) does not want to switch to a casement window style because it will not go with the style of her older home. The DH window we want to install complies with Code on height and width. It just misses on total egress opening area. It is 4.5570 so it is very close to compliance.
