Appeal of Tim Copeland to a Re-Inspection Fire Certificate of Occupancy With Deficiencies at 1501 YORK AVENUE.

Items #1, 2, 4, and #9 are integral to planned repairs previously extended until July 1, 2012. It makes no sense to do these items before fixing the cause. Also, tenant is 87 years old and these repairs have to be planned around his medical needs and lifestyle. We have planned repairs in accordance to those needs, and need to have these items considered as a single extension.
