Appeal of Loren Suekut to a Fire Certificate of Occupancy Correction Notice at 1231 FARRINGTON STREET.

will replace windows within 6 months. Need an extension.

Item 6 - difficult to replace in stucco. We lived there 25 years and since I became handicapped we bought a home that I could get around in and rent 1231 out.

March 19, 2012

Recommend that extension to October 1 be granted for replacement of the windows. No hearing necessary if this addresses appellant's concern.

4/6/12-Staff called appellant and related the information as stated. Appellant indicated that he was told by DSI staff that he should be good to go with the current dimensions. I advised appellant to attend the hearing if he is not looking for an extension rather than a variance. -mxv
