Appeal of Jarred Johnson to a Code Compliance Report at 685 ORANGE AVENUE EAST.

Code Compliance Report is requiring the repair of non-code items for legal occupancy status. 90% of the list is already completed, as the inspector failed to perform a legal code compliance inspection as regulated by state law. (See Application for Appeal for statutes cited.)

March 30, 2012

Jim Seeger

Appellant had a Code Compliance Report done as stipulated by the City Council in RLH VBR 12-14.

The appellant should have applied for and had a code compliance inspection completed earlier. It looks like he waited a couple of weeks after the last hearing to apply and then it took a few weeks to perform. Therefore, I gave an additional month for issuance of the code compliance certificate. I believe this building continues to be illegally occupied. ~MM
