**File #:** AHPC 12-3, **Version:** 1

Public hearing to consider the appeal by Daniel Gleeson of six conditions made by the Heritage Preservation Commission approving new public sidewalks to the south and west of 366 Jackson Street, historically known as the McColl Building.

**Appellant(s):** Daniel Gleeson, Gleeson Architects  
**Location:** **Public sidewalks to the south and west of 366 Jackson Street**, McColl Building, Heritage Preservation Site and within Lowertown Historic District  
**Applicant:** Daniel Gleeson  
**Owner:** Dave Brooks, Lowertown Acquisitions Corp LLC

**Purpose:** Appeal the conditions made by the Heritage Preservation Commission contingent on approving new public sidewalks.  
Specific conditions being appealed were not noted. The following six conditions were made by the HPC:

- 1. Only one color in the standard gray concrete shall be installed. A slight tint that closely matches the concrete on the rest of the block may also be acceptable and shall be used throughout the installation.*
- 2. The scoring pattern shall be simplified with consultation from Public Works staff, the applicant and HPC staff. This may also include revision of the ratio of troweled versus broom finish surfaces for ADA requirements.*
- 3. Bronze inlay details, pattern and color at the main entrance shall be submitted to HPC staff for final review and approval.*
- 4. If other details require revision in order to meet Public Works' standards, those changes shall be submitted to HPC for review and approval.*
- 5. Revised drawings reflecting the above changes shall be submitted to HPC and Public Works staff for final review and approval.*
- 6. The HPC stamped approved drawings shall remain on site for the duration of the project.*
