Appeal of Mohammed Shahidullah to a Code Compliance Report at 1132 CENTRAL AVENUE.

Written report does not reflect on site findings. Tied to appeal. Bath needs to show that window opens, only one outlet, needs polarity connection. Report tells more work needs to be that than actually needs to be done.

Note, on September 4, the Council ordered this property removed with no option for rehabilitation. However, this, in and of itself, does not preclude the issuance of a building permit. Therefore, I'm accepting the appeal, but it may be moot if the building is no longer standing.

WHEREAS, in the matter of the Appeal of Mohammed Shahidullah to a Code Compliance Report at 1132 CENTRAL AVENUE, the Legislative Hearing Officer has reviewed the appeal and considered the testimony of City staff and the appellant;

WHEREAS, the Legislative Hearing Officer recommends that the City Council deny the appeal; Now, Therefore, Be It

RESOLVED, that the Saint Paul City Council hereby accepts and adopts the Legislative Hearing Officer's recommendation in this matter.
