Appeal of Jack L. Hurley, Champion Apartments, to a Summary Abatement Order at 200 KIPLING STREET.

We are looking for an extension of time to remove the tires that have been illegally dumped on our property. We have taken care of the problem on two other occasions last year, but with the number of tires dumped this particular time, and the dump site being located down a steep hill, we would like an extension to allow us to remove the tires when the weather is more accommodating.
