Appeal of Mary Ellen Loney to a Vehicle Abatement Order at 1636 ENGLEWOOD AVENUE.

Vehicle noted in the "Vehicle Abatement Order" is driveable and operable. I am a household of one, and choose not to insure two vehicles for street use as I can only drive one at a time. Since the Volvo has Collector Plates, per State Law, it cannot be used as my primary. Per call to Scott (person issuing Vehicle Abatement Order), vehicle needs air in the tires and "all will be good." Air has been added to the tires. I understand I will not receive notice confirming "all is good" after Scott re-inspects the vehicle. I will be out of town June 20, 2013, and do not want to return to find that my operable vehicle has been removed from my driveway, hence, I am submitting this appeal.
