Appeal of David Hancox, Metro Center for Independent Living, to a Correction Notice - Complaint Inspection at 530 ROBERT STREET NORTH.

Per Appellant's attached letter, "In preparation for our construction in the summer of 2013, our architect, and our real estate attorney reviewed our site plan with city staff during multiple site plan review processess, which included review of our parking lot layout. No party at that time raised issue with the site plan with regard to fire lane parking. In addition, we specifically reviewed whether there was an underlying alley and concluded with the appropriate authorization, that it is not, in fact, an alley."
