Appeal of Kimberly Prager to a Fire Certificate of Occupancy Revocation and Order to Vacate at 2093 CALIFORNIA AVENUE EAST.

I have removed item 3 and item 4 on the letter the day the inspector was out. I also did #5 the next day (and #7). I took off work to meet the heating guy who did the heating inspection (#10) and Tony Seaton has the report. I do not. I also took off work a second time to meet the heater guy who handled #11 and revented the dryer. Items 6,8,9 need to be handled by Tony. I have complained about the mold since July 2013 and it has yet to be repaired. I can not find a new place to live (same price, space, amenities, etc.) in this short of a time.
