Returned Mail?: No

Comments: Pete Stein contacted Ms. Vang stating he is the owner of the vacant lot of 2299 Valentine Avenue and he did clear his walks but received notice of the assessment. Ms. Vang contacted Real Estate Offices ("RE") and per RE staff, there was only one PIN number at the time of Legislative Hearing hearing date set up. PIN number was issued to 2360 Como Ave. During April 2014, lot got split which created two pin numbers. Inspector Seeley watched the video of the clean up and indicated that the Valentine property was clear of snow and ice but not the property at 2360 Como. This was review by the Legislative Hearing Officer and she recommended that based upon review of the video, the assessment should be approved for 2360 Como Avenue and delete the assessment for 2299 Valentine Avenue, PIN No. [20-29-23-42-0122 <tel:20-29-23-42-0122>](tel:20-29-23-42-0122).

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Property Clean Up services during February 24 to March 28, 2014. (File No. J1409A, Assessment No. 148526) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby ratified and payable in one installment for 2360 Como Avenue (PIN [20-29-23-42-0030](tel:20-29-23-42-0030) [<tel:20-29-23-42-0030>](tel:20-29-23-42-0030)), noting that no assessment should be processed for 2299 Valentine Avenue, which formerly shared the same PIN.
