Appeal of Jason MacDonald to a Re-Inspection Fire Certificate of Occupancy with Deficiencies at 415 BAY STREET.

Appealing roof replace order. The plan is to add a 2nd story to the building in the near future (Next 24 to 36 months). Replacing now would waste material, etc. The roof has cupping but it is water tight. I would request that we can get a 36 month waiver on this as long as the roof continues to be water tight. Thanks.
