Amending the 2017 spending plan for the General Government Accounts - District Council program budget.

ADMINISTRATIVE ORDER, consistent with the authority granted to the Mayor in Section 10.07.4 of the City Charter, and on the request of the Director of Financial Services to amend the 2017 spending budget for the reallocation of funds within existing budgets. This is a technical correction to align proper budget authority with the new District Council Community Engagement and Innovation Fund accounts, with no change in total District Council funding. The Director of the Office of Financial Services is authorized to amend said budget in the manner specified in the attached financial analysis form.
