Mr. Sage-Martinson stated this item is additional financing for the second phase of the Catholic Charities Dorothy Day project. On May 24, 2017, the HRA approved a \$1 million dollar loan to the project. This request is for up to \$7 million in conduit tax exempt housing revenue bonds. 4. Resolution Making Certain Findings with Respect to Buildings and Improvements and Authorizing Execution of a Demolition Agreement with Snelling-Midway Redevelopment, LLC, District 8, Ward 1.

Mr. Sage-Martinson stated this item is asking the HRA to take specific action on two pieces. The first is making certain findings including the determination of sub-standard buildings on the northern half and eastern half of the Snelling Midway Redevelopment site and authorizing the execution of a demolition agreement with Snelling-Midway Redevelopment LLC as work continues on the redevelopment of that block.

Commissioner Noecker asked for clarification regarding the purpose of making these findings today. Mr. Sage-Martinson stated that the findings today are limited and technical in nature in terms of certifying the blight report and entering into a demolition agreement.

Commissioner Noecker asked what the implications would be if this resolution were not passed today. Mr. Sage-Martinson stated that if this was not passed today, demolition would still proceed but the possibility of setting up a future TIF district would no longer be possible. Commissioner Noecker spoke in opposition of this resolution and Tax Increment Financing districts.

Commissioner Prince agreed with Commissioner Noecker and stated that she will be voting against the resolution.

Chair Brendmoen, Commissioner Tolbert, Thao and Stark stated they will be voting in favor of the resolution.
