Appeal of Harold Brady to a Correction Notice at 214 GEORGE STREET WEST.

I'm too old to put up scaffolding and heavy extension ladders for painting and maintenance on my house. My Victorian house is one hundred thirty years old and I love keeping it in good condition. I feel very safe and comfortable when using the cherry picker the last two years, having painted the south and west sides of the house. The house has four floors, not counting the basement, and forty-foot peaks on all four sides. I park the cherry picker at the rear of my house where it cannot be seen during the winter months. I would appreciate keeping the same spot for parking the unit. Please consider my request.

WHEREAS, in the matter of the Appeal of Harold Brady to a Correction Notice at 214 GEORGE STREET WEST, the Legislative Hearing Officer has reviewed the appeal and considered the testimony of City staff and the appellant;

WHEREAS, the Legislative Hearing Officer recommends that the City Council grant the appeal on condition that the cherry picker equipment is parked behind house invisible from public view; Now, Therefore, Be It

RESOLVED, that the Saint Paul City Council hereby accepts and adopts the Legislative Hearing Officer's recommendation in this matter.
