NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Saint Paul, Minnesota, as follows:

1. The City hereby gives preliminary approval to the multifamily rental housing Project, described above, to be undertaken by the Borrower pursuant to the Borrower's specifications, and approves the Housing Program therefor, pursuant to the Act.

2. On the basis of information available to the City it appears, and the City hereby finds, that the Project constitutes a multifamily housing development within the meaning of subdivision 5 of Section 462C.02 of the Act; that the availability of the financing under the Act and the willingness of the City to furnish such financing will be a substantial inducement to the Borrower to undertake the Project, and that the effect of the Project, if undertaken, will be to provide multifamily rental housing opportunities to residents of the City, and to promote more intensive development and use of land within the City.

3. The Project, and the program to finance the Project by the issuance of the Obligations, is hereby given preliminary approval by the City subject to final approval by the HRA, the Borrower and the purchaser of the Obligations as to ultimate details of the financing of the Project, all subject to the availability of an allocation of tax exempt bonding authority for the Obligations.

4. Pursuant to Chapter 72, Saint Paul, Minnesota Administrative Code, the City hereby authorizes and directs the HRA to issue the Obligations to finance the Project and to implement the Housing Program and to take all actions necessary or desirable in connection therewith, and no further approval or authorization of the City shall be required.

5. The Borrower has agreed and it is hereby determined that any and all costs incurred by the City or the HRA in connection with the financing of the Project whether or not the Project is carried to completion and whether or not approved by HRA will be paid by the Borrower.

6. Under Section 146 of the Internal Revenue Code of 1986, as amended (the "Code"), the Obligations must receive an allocation of the bonding authority of the State of Minnesota. If necessary in connection with the Obligations or to issue other tax exempt obligations in 2018, as determined by the HRA, the City Council hereby authorizes the HRA to submit an application for allocation of bonding authority pursuant to Section 146 of the Code and Minnesota Statutes, Chapter 474A, as amended (the "Allocation Act") in accordance with the requirements of the Allocation Act. The Executive Director of the HRA and Kennedy & Graven, Chartered, as bond counsel, are hereby authorized to take all actions, in cooperation with the Borrower, as are necessary to submit an application for an allocation of bonding authority to the office of Minnesota Management & Budget. Alternatively, if necessary in connection with the Obligations or to issue other tax exempt obligations in 2018, as determined by the HRA, the City hereby approves and authorizes the execution, by the Mayor, PED Director and Director, Office of Financial Services of the City, of an Agreement Regarding Bonding Authority ("MHFA Transfer Agreement") with the Minnesota Housing Finance Agency ("MHFA"), whereby the MHFA would transfer to the City and the HRA a portion of MHFA's 2018 entitlement allocation of private activity bond volume cap (the "Transferred Volume Cap") and the City and the HRA would agree to transfer an equivalent amount of the City's and the HRA's 2019 entitlement allocation of private activity bond volume cap, in substantially the forms submitted by staff together with any non-significant changes approved by the PED Director and City Attorney Office and for amounts of Transferred Volume Cap to be determined by the PED Director and set forth in the MHFA Transfer Agreement.

7. Kennedy & Graven, Chartered, as bond counsel, and such financial institutions as may be selected by Borrower, with the consent of the HRA, are authorized to assist in the preparation and review of necessary documents relating to the Project and the financing program therefor, to consult with the City

Attorney, Borrower and the purchaser of the Obligations as to the maturities, interest rates and other terms and provisions of the Obligations and as to the covenants and other provisions of the necessary documents and submit such documents to the HRA for final approval.

8. Nothing in this Resolution or the documents prepared pursuant hereto shall authorize the expenditure of any municipal funds on the Project other than the revenues derived from the Project. The Obligations shall not constitute a charge, lien or encumbrance, legal or equitable, upon any property or funds of the City or the HRA except the revenue and proceeds pledged to the payment thereof, nor shall the City or the HRA be subject to any liability thereon. The holders of the Obligations shall never have the right to compel any exercise of the taxing power of the City or HRA to pay the outstanding principal on the Obligations or the interest thereon, or to enforce payment thereon against any property of the City or the HRA. The Obligations shall recite in substance that the Obligations, including the interest thereon, are payable solely from the revenue and proceeds pledged to the payment hereof. The Obligations shall not constitute a debt of the City or HRA within the meaning of any constitutional or statutory limitation.

9. In anticipation of the issuance of the Obligations to finance all or a portion of the Project, and in order that completion of the Project pursuant to the Borrower's specifications will not be unduly delayed when approved, the Borrower is hereby authorized to make such expenditures and advances toward payment of that portion of the costs of the Project to be financed from the proceeds of the Obligations, as the Borrower considers necessary, including the use of interim, short-term financing, subject to reimbursement from the proceeds of the Obligations if and when delivered but otherwise without liability on the part of the City or the HRA.

10. The City's PED Director and staff are hereby authorized and directed to take all actions necessary to implement this Resolution.
