Amending the 2018 budget to carry forward unspent funds from a McKnight Foundation grant awarded in 2017 to match funds secured for the City Energy Project and to support community engagement in the development of a climate action and adaptation plan

WHEREAS, the Saint Paul City Council and Mayor Melvin Carter are dedicated to making Saint Paul one of the most sustainable cities in the United States and to protecting our city's air, water, and urban landscape; and

WHEREAS, in December 2015, Saint Paul signed the Compact of Mayors (RES 15-2093), a global coalition of mayors and city officials pledging to reduce local GHG emissions, enhance resiliency to climate change, and track their progress transparently; and

WHEREAS, by signing the Compact of Mayors, the City of Saint Paul reaffirmed its commitment to reducing GHG, and pledged to meet a series of ambitious milestones outlined in the Compact, which include establishing GHG emissions targets; identifying climate hazards; assessing climate vulnerabilities; and developing climate action and resiliency plan to report annually on progress; and

WHEREAS, the Institute for Market Transformation (IMT) and the Natural Resources Defense Council (NRDC) established the City Energy Project which is national initiative to create healthier and more prosperous American cities by improving the energy efficiency of large buildings, both public and private sector. Funding for City Energy Project is provided jointly by Bloomberg Philanthropies, Doris Duke Charitable Foundation and The Kresge Foundation; and

WHEREAS, IMT and NRDC selected the City of Saint Paul to join the City Energy Project and provided funds (RES 16-2042) towards a technical advisor and other technical assistance and resources to advance energy efficiency in large buildings; and

WHEREAS, the City of Saint Paul is working with the Center for Energy and Environment, whose mission is to promote energy efficiency to strengthen the economy while improving the environment, to implement this grant; and

WHEREAS, the City of Saint Paul applied for and was awarded funds from The McKnight Foundation in 2017 to match funds secured for the City Energy Project and to support community engagement in the development of a climate action and adaptation plan (RES 17-104); and

WHEREAS, the Mayor pursuant to section 10.07.1 of the Charter of the City of Saint Paul, does certify that there are available for appropriation funds of \$100,000 in excess of those estimated in the 2018 budget; and

NOW, THEREFORE BE IT RESOLVED, that the Saint Paul City Council approves amending the 2018 budget as specified in the attached financial analysis.
