Appeal of Dolores Jacobson to a Summary Abatement Order at 1621 ARCADE STREET.

I called Steve Ubl and asked if he could have someone take a look at the building to see if emergency action needs to be taken and under what circumstances an extension would work. One thought was if they stabilize the walls with diagonal bracing, 90 days may work. He will have someone look at the building April 5. -MM

AMENDED 4/24/2019
