Stated Reason for Appeal (if given): Nothing is owed at this time in light of the recently-submitted petition. The city must legislate in good faith and carry out its obligations under the charter. The ordinance must be temporarily suspended and submitted to a referendum. If it passes after a referendum, I will happily pay whatever is owed. If it does not pass, I owe nothing. I owe nothing in the meantime since the ordinance should be suspended in operation. I recommend we put this issue on hold until Clark v. St. Paul is decided.

Staff Comments: Under citywide garbage service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. Property owners must provide garbage service for all occupied dwellings. There is no option to opt out of the citywide garbage service. The City is operating under a signed contract under state statute.
