Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): Resident is stating that he is not going to pay for the additional garbage cart that he has never received service for. He said that he has not had his garbage adjusted as he does not have the second cart. He called into RS in early January and they removed the second cart.

Staff Comments: Records show that Republic Services removed the 2nd cart on 1/22/19. Republic was not supposed to remove a cart at all. City ordinance requires a garbage cart and service for each occupied unit. Because Republic removed the cart, staff recommends deleting the assessment. Because one unit is unoccupied, staff sent the property owner an Unoccupied Dwelling Registration Form to set up the vacancy.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during April to June 2019. (File No. CG1903A3, Assessment No. 190123) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby deleted.
