Comments: I recommend we delete the PAEC as the work crew did show up and had a discussion with the owner. They told him to call me and they would give him time to remove the fence. I was contacted and he agreed to remove the fence but stated his neighbor helped him and there is fencing on their boulevard too. The neighbor called as well and stated they would be fine taking down the fence. The fence was removed so we did achieve voluntary compliance and I gave them the information regarding temporary fencing vs. permanent fencing.
