**Invoice Date(s):** July 1 - September 30

**Returned Mail/Notice Concerns?:**

**Stated Reason for Appeal (if given):** Based the level of service that we are receiving, we should not have any out standing balance to be paid to Advance Disposal currently. We are being billed for a large 94-gallon cart that was never delivered to our property.

**Staff Comments:** The assessment of \$6.36 is the difference between a medium 64-gallon cart (\$96.08) and a large 94-gallon cart (\$102.44). Resident stated that they were billed for a 94-gallon cart, which they requested but was never delivered. Therefore they decided to pay for the cart they had, which was a medium 64-gallon cart. The photo provided by the resident does prove that as of 10/20/2020, the cart swap had not occurred. The serial number on the cart in the photo is the same as the original cart that was delivered in September 2018. Therefore staff recommends removal of the assessment.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during July to September 2019. WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby deleted.
