**Invoice Date(s):** October 1 - December 31

**Returned Mail/Notice Concerns?:**

**Stated Reason for Appeal (if given):** Property owner states that he has a 35 gallon cart with every week service but has not received service. He also still has his Walter garbage can that he would like removed from property.

**Staff Comments:** Hauler confirmed property had been receiving service for one small 35-gallon cart with every week pick up. They do have documented several instances in February and March 2020 of the cart not being put out for pick up. Apart from those dates, it appears as though resident was using the service. Therefore staff recommends approving the assessment.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during October to December 2019. (File No. CG2001B1, Assessment No. 200104) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby ratified and payable in one installment.
