Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): I own houses in 2019. Waste Management have never sent bill to my house. They sent bills to previous owner. I called them many times to change bill address but they didn't accept. They always charge me extra fee in 2 years.

Staff Comments: Hauler confirmed that the initial invoice and Notices of Nonpayment were sent to the previous property owner at 5225 Division St in Edina, MN. Staff records show that there was a work order in the August 5 hauler update to change the mailing address to 1577 Marion St. Therefore, as a courtesy, staff recommends removing the assessment in full. Staff has confirmed with the hauler that the mailing address has been updated to 1577 Marion St. Update: 1/6/21: Based on recent review, we are just going to recommend that the late fees be removed and that the assessment be reduced to \$99.43. Let me know if you are able to make those changes to the file. The property owner is in agreement with this recommendation.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during July to September 2020.
