WHEREAS, the City of Saint Paul is a participant in the Metropolitan Livable Communities Act ("LCA") Local Housing Incentives Program for 2021 as determined by the Metropolitan Council, and is therefore eligible to apply for LCA Livable Communities Demonstration Account ("LCDA") funds; and

WHEREAS, the City has identified the 652-58 Sherburne Avenue West, 892 7th Street East, and 1490 7th Street East projects meet LCDA purposes and criteria and are consistent with and promote the purposes of the Metropolitan Livable Communities Act and the policies of the Metropolitan Council's adopted metropolitan development guide; and

WHEREAS, the City has the institutional, managerial and financial capability to adequately manage an LCDA grant; and

WHEREAS, the City certifies that it will comply with all applicable laws and regulations as stated in the grant agreement; and

WHEREAS the City agrees to act as legal sponsor for the project contained in the grant applications, to be submitted on July 21, 2021; and

WHEREAS, the City acknowledges LCDA grants are intended to fund projects or project components that can serve as models, examples or prototypes for LCDA development or redevelopment elsewhere in the Region, and therefore represents that the proposed project or key components of the proposed project can be replicated in other metropolitan-area communities; and

WHEREAS, only a limited amount of grant funding is available through the Metropolitan Council's Livable Communities LCDA initiative during each funding cycle and the Metropolitan Council has determined it is appropriate to allocate those scarce grant funds only to eligible projects that would not occur without the availability of LCDA grant funding; Now, therefore, be it

RESOLVED, after appropriate examination and due consideration, the Saint Paul City Council hereby:

1. Finds that the following proposed LCDA projects are in the best interests of the City's development goals and priorities:
 - 652-58 Sherburne Avenue West - LCDA-TOD Pre-Development Fund (\$150,000)
 - 892 7th Street East - LCDA-TOD Pre-Development Fund (\$75,000)
 - 1490 7th Street East - LCDA Pre-Development Fund (\$101,000)
2. Finds that the LCDA project components for which LCDA funding is sought:
 - a. will not occur solely through private or other public investment within the reasonably

foreseeable future; and

- b. will occur within the term of the grant award (two years for Pre-Development grants) only if LCDA funding is made available for this project at this time

- 3. Represents that the City has undertaken reasonable and good faith efforts to procure funding for the project components for which LCDA funding is sought but was not able to find or secure from other sources funding that is necessary for project component completion within three years and states that this representation is based on the following reasons and supporting facts:

- The City of Saint Paul has no general fund resources to invest in these sites; and
- Demands on balances in existing TIF districts and the financial limits on new TIF districts leave the Housing and Redevelopment Authority of the City of Saint Paul with no resources to invest in these sites.

- 4. Authorizes its Director of Planning and Economic Development to submit on behalf of the City an application for 1490 7th Street East to Metropolitan Council for LCDA grant funds and 652-58 Sherburne Avenue West and 892 7th Street East for LCDA-Transit-Oriented Development grant funds for the LCDA Project components identified in the applications, and authorizes proper City officials to execute such agreements as may be necessary to implement the LCDA projects on behalf of the City, wherein said agreement contains indemnification provisions in favor of the Metropolitan Council.
