Stated Reason for Appeal (if given): Former property owner stated that they sold the property on

7/1/2021. However, they continued to receive invoices from both the hauler and the city.

Staff Comments: Staff confirmed that the new property owner's name and mailing address had been sent to the hauler on 7/27/2021 as part of the July hauler update. Since the hauler did not update their records, staff recommends removing the late fees and reducing the assessment to \$69.04.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during July to September 2021. (File No. CG2104A4, Assessment No. 210118) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It
