Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): Property owner stated that they have experienced difficulties with WM in trying to pay their garbage bill. They made their garbage payment for Q4 2021 by e-check on 10/2/2021. A representative from Waste Management (Kim) then contacted the property owner on October to let them know that their check was refused. The property owner talked to Waste Management later on in October and the representative (Kim) stated that the bank authorized the check. However, in December the bank contacted the property owner to inform them that the check had not gone through. They called Waste Management on Jan 20 and Paid \$69.84 towards the bill.

Staff Comments: Hauler records show that there was no contact between the property owner and the hauler in October 2021. They property owner did attempt to make a payment in December 2021 but it was declined. It looks like there was at least one other declined payment. Therefore staff recommends approving the assessment.
