Authorizing the Fire Department to donate four radiological monitors to the Minnesota Department of Human Services Radiological Preparedness.

WHEREAS, the Saint Paul Fire Department has determined that the four radiological monitors listed in Attachment A are no longer needed to carry out department functions and are obsolete; and

WHEREAS, Section 2.02 (G) (6) g. 3 of the Saint Paul Administrative Code authorizes the City to donate surplus equipment to a bona fide organization upon a resolution that such donation is related to the function of government, serves a public purpose, and is for the benefit of the community as a whole; and

WHEREAS, the Saint Paul Fire Department has determined the four radiological monitors to be obsolete and it would be expensive to update them to make them operational, in addition it would be expensive to safely dispose of the monitors; and

WHEREAS, the State of Minnesota Department of Human Services Preparedness has a use for the four radiological monitors listed on Attachment A and they will see if they can make the monitors useable, if the monitors cannot be used, the State of Minnesota will be responsible to safely dispose of the monitors; and

WHEREAS, the estimated value of the radiological monitors is \$20,000; and

WHEREAS, the City Council's transfer of the radiological monitors would provide the State of Minnesota Department of Human Services Radiological Preparedness with equipment that is no longer needed by the Saint Paul Fire Department; and

WHEREAS, the donation of this equipment is related to the function of government and has a public purpose to donate the equipment to another governmental agency to be used for future training and state preparedness; Now, therefore, be it

RESOLVED, that the City Council hereby authorizes the donation of the radiological monitors listed in Attachment A to the State of Minnesota Department of Human Services Radiological Preparedness on the condition that the State of Minnesota shall remove the equipment in a manner and in accordance with the time line mutually agreed upon with the Saint Paul Fire Department and shall bear all costs associated with the removal and transportation of the designated property and agrees to accept the property as is; and be it

FURTHER RESOLVED, that upon donation, the City shall have no further responsibility for said property and shall not provide any warranty, maintenance, repair, technical assistance, or any other kind of ongoing support, nor assume any costs that may be related to the ongoing use of the property by the State of Minnesota.
