NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Saint Paul, Minnesota, as follows:

1. Requirements of the Capital Notes Act and the Municipal Debt Act. The City has complied with the provisions of the Capital Notes Act, the Municipal Debt Act and the City Charter regarding the issuance of

the Series 2023B Note. The proceeds of the Series 2023B Note represents the statutorily authorized amount and shall be used for the purposes described in the Capital Notes Act. The total cost of the Equipment, which shall include all costs enumerated in Section 475.65 of the Municipal Debt Act, is estimated to be at least equal to the amount of the Equipment.

Section 412.301 of the Capital Notes Act specifies that the City may issue certificates of indebtedness such as capital notes to purchase capital equipment without referendum and without being subject to a petition for a referendum if the total amount of the capital notes being issued does not exceed 0.25% of the estimated market value of the taxable property in the City. Based on the City's 2023/24 estimated market value of \$35,288,806,700, this represents a maximum issue size of approximately \$88,222,017 for the Series 2023B Note. The principal amount of the Series 2023B Note in the amount of \$1,165,000 (total proceeds of \$1,165,000) is within the limitation set forth above and is therefore not subject to petition and the reverse referendum provisions of the Capital Notes Act.

2. Form of Series 2023B Note. All of the provisions of the Series 2023B Note, when executed as authorized herein, shall be deemed to be a part of this Resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof. The Series 2023B Note shall be substantially in the form attached to this Resolution as EXHIBIT A, which form is hereby approved, with such necessary and appropriate variations, omissions and insertions (including changes to the aggregate principal amount of the Series 2023B Note, the stated maturity of the Series 2023B Note, the interest rate on the Series 2023B Note, the terms of mandatory redemption of the Series 2023B Note, and variation from City policies regarding methods of offering general obligation notes) as the City Treasurer and Director, Office of Financial Services, or their respective deputies, in their discretion, shall determine.

The City Treasurer is authorized and directed to obtain a copy of the proposed approving legal opinion of Ballard Spahr LLP, which shall be complete except as to dating thereof and cause the opinion to accompany the Series 2023B Note.

3. Execution. The Series 2023B Note shall be executed on behalf of the City by the facsimile or manual signatures of its Mayor, City Clerk and Director, Office of Financial Services, or their proper designees, each with the effect noted on the form of the Series 2023B Note, provided, and the corporate seal may be omitted on the Series 2023B Note as permitted by law. In the event of disability or resignation or other absence of any such officer, the Series 2023B Note may be signed by the manual or facsimile signature of that officer who may act on behalf of such absent or disabled officer. In case any such officer whose signature shall appear on the Series 2023B Note shall cease to be such officer before the delivery of the Series 2023B Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery.

Other than the Series 2023B Note, the City may execute documents, certificates, and instruments relating to the issuance of the Series 2023B Note by electronic signature. For purposes hereof: (i) "electronic signature" means a manually signed original signature that is then transmitted by electronic means; and (ii) "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a portable document format ("pdf") or other replicating image attached to an electronic mail or internet message; or (iii) a digital signature of an authorized representative of any party provided by AdobeSign or DocuSign (or such other digital signature provider as specified by such party).

4. Authentication; Date of Registration. No Series 2023B Note shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless a Certificate of Authentication on such Series 2023B Note, substantially in the form set forth in EXHIBIT A, shall have been duly executed by an authorized representative of the City. The Registrar shall authenticate the signatures of officers of the City on the Series 2023B Note by execution of the Certificate of Authentication on the Series 2023B Note and by

inserting as the date of registration in the space provided the date on which the Series 2023B Note is authenticated. For purposes of delivering the original Series 2023B Note to the Bank, the Registrar shall insert as the date of registration as of the date of original issue.

The City Treasurer is hereby appointed as the initial bond registrar and paying agent (the “Registrar” and the “Paying Agent”) for the Series 2023B Note. The City Treasurer shall serve as Registrar unless and until a successor Registrar is duly appointed. A successor Registrar shall be an officer of the City or a bank or trust company eligible for designation as Registrar pursuant to the Municipal Debt Act acceptable to the Bank (or its successors) and may be appointed pursuant to any contract the City and such successor Registrar shall execute which is consistent herewith. The Registrar shall also serve as Paying Agent unless and until a successor Paying Agent is duly appointed. The principal of and interest on the Series 2023B Note shall be paid to the registered holder or holders of the Series 2023B Note (the “Holder” or “Holders”) in the manner set forth in the form of the Series 2023B Note. The effect of registration and the rights and duties of the City and the Registrar with respect thereto are as follows:

(a) No Book-Entry System. The Series 2023B Note shall be registered in the name of the Bank and shall not be subject to the procedures of The Depository Trust Company.

(b) Register. The Registrar shall keep a bond register in which the Registrar provides for the registration of ownership of the Series 2023B Note and the registration of transfers and exchanges of the Series 2023B Note entitled to be registered, transferred, or exchanged.

(c) Transfer of Series 2023B Note. Upon surrender for transfer of the Series 2023B Note duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, a new Series 2023B Note of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until that interest payment date.

(d) Exchange of Series 2023B Note. When the Series 2023B Note is surrendered by the registered owner for exchange, the Registrar shall authenticate and deliver one or more new Series 2023B Notes of a like aggregate principal amount and maturity as requested by the registered owner or the owner’s attorney in writing.

(e) Cancellation. When a Series 2023B Note is surrendered upon transfer or exchange it shall be promptly cancelled by the Registrar and thereafter disposed of as directed by the City.

(f) Improper or Unauthorized Transfer. When a Series 2023B Note is presented to the Registrar for transfer, the Registrar may refuse to transfer the Series 2023B Note until the Registrar is satisfied that the endorsement on the Series 2023B Note or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its reasonable judgment, deems improper or unauthorized.

(g) Persons Deemed Owners. The City and the Registrar may treat the person in whose name the Series 2023B Note is registered in the bond register as the absolute owner of the Series 2023B Note, whether the Series 2023B Note is overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on the Series 2023B Note and for all other purposes, and payments so made to a registered owner or upon the owner’s order shall be valid and effectual to satisfy and discharge the liability upon the Series 2023B Note to the extent of the sum or sums so paid.

(h) Taxes, Fees, and Charges. The Registrar may impose a reasonable charge upon the owner

thereof for a transfer or exchange of the Series 2023B Note sufficient to reimburse the Registrar for any tax, fee, or other governmental charge required to be paid with respect to the transfer or exchange.

(i) Mutilated, Lost, Stolen or Destroyed Bonds. If a Series 2023B Note becomes mutilated or is destroyed, stolen, or lost, the Registrar shall deliver a new Series 2023B Note of like amount, number, maturity date, and tenor in exchange and substitution for and upon cancellation of the mutilated Series 2023B Note or in lieu of and in substitution for any Series 2023B Note destroyed, stolen, or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Series 2023B Note destroyed, stolen, or lost, upon filing with the Registrar of evidence satisfactory to it that the Series 2023B Note was destroyed, stolen, or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance, and amount satisfactory to it and as provided by law, in which both the City and the Registrar must be named as obligees. The Series 2023B Note so surrendered to the Registrar shall be cancelled by the Registrar and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen, or lost Series 2023B Note has already matured in accordance with its terms, it is not necessary to issue a new Series 2023B Note prior to payment.

5. Rights Upon Transfer or Exchange. The Series 2023B Note delivered upon transfer of or in exchange for or in lieu of any other Series 2023B Note shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Series 2023B Note. The Series 2023B Note may be transferred in accordance with the terms of this Resolution.

6. Registration and Payment. The Series 2023B Note will be issued in certificate of definitive form only in fully registered form and shall be initially registered in the name of the Bank. The interest thereon and, the principal amount thereof, is payable by check, draft or wire transfer or ACH debit as authorized herein. The Series 2023B Note shall be dated as of the last interest payment date preceding the date of authentication to which interest on the Series 2023B Note has been paid or made available for payment, unless: (i) the date of authentication is an interest payment date to which interest has been paid or made available for payment, in which case the Series 2023B Note will be dated as of the date of authentication; or (ii) the date of authentication is prior to the first interest payment date, in which case the Series 2023B Note will be dated as of the date of original issue. The Series 2023B Note shall bear interest at a fixed rate as described in the Series 2023B Note.

7. Acceptance of Proposal. The proposal of the Bank to purchase the Series 2023B Note, in accordance with the RFP, at the rate of interest set forth hereinafter and on the terms of the Bank proposal, and to pay for the Series 2023B Note the sum not to exceed \$1,165,000 (the principal amount of the Series 2023B Note), is hereby found, determined and declared to be the most favorable proposal received and is hereby accepted for the purchase of the Series 2023B Note.

No portion of the proceeds of the Series 2023B Note shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Series 2023B Note were issued, and (2) in addition to the above in an amount not greater than five percent (5%) of the proceeds of the Series 2023B Note. (e) Allocation of Investment Earnings. Investment earnings, net of rebatable arbitrage, shall be credited to the fund or account from which the investment was made.

For the purpose of paying the principal of and interest on the Series 2023B Note, there is levied a direct annual irrepealable ad valorem tax (the “Tax”) upon all of the taxable property in the City, to be spread upon the tax rolls and collected with and as part of other general taxes of the City. 12. Tax Levy; Coverage Test. The Tax is such that if collected in full it (along with any other funds, if any, deposited in the 2023 Debt Service Fund), will produce at least five percent (5%) in excess of the amount needed to meet when due the principal and interest payments on the Series 2023B Note. The Tax shall be irrevocable so long as the Series 2023B Note is outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Section 475.61, Subdivision 3 of the Municipal Debt Act.

13. Certificate of Registration. The City hereby covenants not to use the proceeds of the Series 2023B Note or to use the Equipment, or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Equipment, in such a manner as to cause the Series 2023B Note to be a "private activity bond" within the meaning of Sections 103 and 141 through 150 of the Code. The City reasonably expects that no actions will be taken over the term of the Series 2023B Note that would cause it to be a private activity bond, and the average term of the Series 2023B Note is not longer than reasonably necessary for the governmental purpose of the issue. The City hereby covenants not to use the proceeds of the Series 2023B Note in such a manner as to cause the Series 2023B Note to be a "hedge bond" within the meaning of Section 149(g) of the Code.

The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Series 2023B Note, including without limitation requirements relating to temporary periods for investments, limitations on amounts invested at a yield greater than the yield on the Series 2023B Note, and the rebate of excess investment earnings to the United States.

17. No Designation of Qualified Tax-Exempt Obligations. The Series 2023B Note, together with

other obligations issued by the City in 2023, exceed in amount those which may be qualified as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code, and hence are not designated for such purpose.

18. Negotiated Sale. The City has retained PFM Financial Advisors, LLC as an independent financial advisor (municipal advisor), and the City has heretofore determined, and hereby determines, to sell the Series 2023B Note by private negotiation to the Bank, all as provided by Section 475.60, Subdivision 2(9) of the Municipal Debt Act.

The Series 2023B Note is not subject to the continuing disclosure requirements of Rule 15c2-12(b)(5), 17 CFR §240.15c2-12, promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the “Rule”), because the Series 2023B Note is being placed directly with the Bank and is not being publicly offered.

Provided, however, if the Bank has not previously obtained such information from the EMMA website, while the Series 2023B Note is outstanding, the City hereby agrees to provide to the Bank, within 365 days after the completion of the City’s fiscal year, the City’s audited financial statements for each fiscal year, commencing with the City’s fiscal year ending December 31, 2022. If the City’s audited financial statements are not available, the City will provide to the Bank the City’s unaudited financial statements for such fiscal year and provide the audited financial statements for such fiscal year as soon as they are available. In addition, the City’s financial information is also maintained on its investor relations website and the City’s issuer page on the Municipal Securities Rulemaking Board’s EMMA website. The City further agrees to permit the Bank or its agents and representatives to inspect the City’s books and records and make extracts therefrom at its own expense during regular business hours and in a manner which will not disrupt the normal business routine of the City.

In connection with the City’s compliance with any continuing disclosure undertakings (each, a “Continuing Disclosure Agreement”) entered into by the City on and after February 27, 2019, pursuant to SEC Rule 15c2-12 promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the “Rule”), the Registered Owner of the Series 2023B Note acknowledges that the City may be required to file with the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access system, or its successor (“EMMA”), notice that the City has incurred obligations hereunder and notice of certain subsequent events reflecting financial difficulties in connection with the Series 2023B Note. The City agrees that it shall not file or submit, or permit to be filed or submitted, with EMMA any documentation that includes the following unredacted sensitive or confidential information about the Registered Owner of the Series 2023B Note or its affiliates: address and account information of the Registered Owner or its affiliate, e-mail addresses, telephone numbers, fax numbers, names and signatures of officers, employees and signatories of the Registered Owner or its affiliates, unless otherwise required for compliance with the Rule or otherwise required by law. The City acknowledges that the Registered Owner of the Series 2023A Note is not responsible for the City’s compliance or noncompliance with the Rule or any Continuing Disclosure Agreement.

21. Defeasance. When the Series 2023B Note and all interest thereon have been discharged as provided in this section, all pledges, covenants and other rights granted by this Resolution to the Holders of the Series 2023B Note will cease, except that the pledge of the full faith and credit of the City for the prompt and full payment of the principal of and interest on the Series 2023B Note will remain in full force and effect until redemption. The City may discharge the Series 2023B Note, which is due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment, including interest earned thereon, in full of the Series 2023B Note.
