Stated Reason for Appeal (if given): Garbage cart went missing in December and PO became sick with Covid and Pneumonia shortly afterwards. PO spent two months in the hospital during Quarter 1 2024.

Staff Comments: WM states they did not receive notice the garbage cart was missing until April 2024, after PO was discharged from the hospital. PO had already received Q1 2024 tax assessment. PO also recently had small house fire on May 20, 2024 and is currently in temporary housing. She plans on returning home in by September. PO has paid her Q2 2024 bill and has submitted temporary hold documentation. WM states they have not received temporary hold paperwork yet. Staff recommends removing Q1 2024 assessment of 71.84 under a city adjustment.
