Legislation Text

File #: RES 24-1236, **Version:** 1

Approving the Mayor's reappointment of Michael Lukes to a two-year term on the Mississippi River Watershed Management Organization.
WHEREAS, The Mississippi River Watershed Management Organization was formed in response to the requirements of the Metropolitan Surface Water Management Act ("Chapter 509," now recodified to Minnesota Statutes 103B); and

WHEREAS, the Act required, among other things, the preparation of watershed management plans in the Minneapolis-St. Paul Metropolitan area; and

WHEREAS, Mississippi River Watershed Management Organization is operated by a Board of Managers appointed from each city in the Watershed Management Organization; and

WHEREAS, the Saint Anthony Park Community Council board of directors previously recommended Michael Lukes, a resident within a portion of the watershed boundary within the City of Saint Paul, to represent the City of Saint Paul on this board; and

WHEREAS, the City Council approved Mayor Carter's appointment of Michael Lukes to the Lower Mississippi River Watershed Management Organization on August 22, 2022 (RES 22-1218); and

WHEREAS, Mayor Carter wishes to reappoint Michael Lukes to the Lower Mississippi River Watershed Management Organization; now, therefore be it

RESOLVED, that the Saint Paul City Council approves the reappointment of Michael Lukes to a two-year term on the Mississippi River Watershed Management Organization ending August 31, 2026.
