---

Appeal of Dan Caron to a Fire Inspection Correction Notice at 2156 GERANIUM AVENUE EAST.

The window in question is a standard replacement window that falls short of the opening size by a matter of an inch or two. If you drop both panes down, it exedes it by a foot. I have already spent over 1500.00 on repair. I would hate to tear out a new window and replace it with a few inches bigger.
