Joanna,

I failed to leave the attached email (see below) from my next door neighbor

Could you please give this to the hearing officer?

Thank you,
John Hutton

Hi John and to who it may concern,

It's been great having John as a neighbor over these years. My son and I routinely see Jon working in his yard, working on house projects, even relaxing on his porch as we walk our dog 2 to 3 times a day. We always comment about his projects and all the progress he has made, looks nice.
