Good evening,

I am a neighbor that only lives couple blocks north of the cvs on edmund. I would love to see this big commercial space be rezoned(if zoning is an issue) to be entice an indoor playground business to operate for the many families that live in the area. I m not sure tearing it down is the right thing to do as I just feel the vacant lot will only entice more issues.

Interested in hearing others thoughts on how we could repurpose this property.

Thank you for the time,
Regards
