Hi Kelly,

We have a few options: The first is, the earliest I can meet you on Friday is probably about 1pm, otherwise, if it is outside of that timeframe I can possibly talk to my supervisor to see if he will let me out to meet you and give you access, then return back to work. My workplace is about 10 minutes from my parents' home so it shouldn't take me long to get there and back.

The other route is, I can definitely give you the access code to the lockbox for the property which has the keys to the front and back entrance-- and if you are able to send the consent via email we can get that taken care of prior to your visit.

Or lastly, I can see if one of my siblings can meet you out there, sign the consent and also open the lockbox for you to do your inspection.

Let me know what you prefer-

Thanks,

Ms Xeng Vang & Mr. Yang Vang,

Xeng, thank you for the text message. I will call you at 215 pm today for the phone interview. It should not last longer than a ½ hour. I would like to schedule the scene exam for tomorrow, mid to late morning. Could one of you meet me to receive access to the occupancy and sign the access consent form?

Thank you Kelly and Ken,

Kelly, I sent you a message late last night-- I will not be available today (Thursday) However, anytime after 2pm this Friday or next Monday I should be available. If you need to access the property I would be more than happy to give you the access code to the lockbox. Otherwise, I can meet you there for an interview if needed.

Please let me know if you have any other questions.
