202922340175.00	1225 EDGERTON ST	Paw La	129.43	This is a single family home. Why did you send two separate, different amounts? **Please confirm how many carts (and cart sizes) for this address, and itemized invoice.**	The $154.44 is actually from the previouse owners accoun - it was canceled as of 8.6.23 but then reopened as of 8.7.23 and is still active. The $129.43 is from the new owner Paw La. I have no idea why customer service canceled that old account and then reopened it.
