You don't often get email from markpuchalaii@gmail.com. Learn why this is important

Just an update!
The camper was moved off the premise last night.
And we finally got the car to start and moved it into the garage.

That should be the camper taken care of,
and the vehicle taken care of. the
Is there anything else we need before the 20th?

Since the matter is laid over, the deadline for today is no longer valid. Inspector will check on Jan 16 or Jan 20 in the morning before the hearing to give us an update.

Thanks for reaching out!
I'd love to go over both the camper and the vehicle on the 20th.

We're still trying to move the camper off the property,
but we had a complication last week when we planned to finish.

We're hoping to have someone over this Friday, January 16,
to hitch up the camper and move it out.
I realize that doesn't meet the deadline for tomorrow.
But do you think this can be worked around?

Hello Mr. Puchala,
I want to let you know that you have a hearing tomorrow, Jan 13 to find out the abatement of your camper; however, since you have filed an appeal scheduled for Jan 20 at 11am, Ms. Moermond wants to layover this one over to the same date to discuss both at the same time. I will not be calling you into the hearing tomorrow.

Questions, please let me know. Thanks.
