02/25/2011	<u>11 103111</u>	Resolved	CS - CSO Complaint - Opinion - FYI - No Response Required	The business Wells Pianos on Grand Avenue has consistently shovelled snow INTO the street both yesterday and today. I'm watching him do it right now. It's hazardous to parking, hazardous to drivers, and downright lazy. He then just lets the cars drive over it until its flat and gone. Then he doesn't have to shovel a snowbank, because the snow is gone. He should be fined or something, this can't be safe.
