Hello Chris,

We've received your request to repair or replace your Garbage Cart at the address 318 Baker St E, St. Paul, Minnesota, 55107. There is no charge to repair a broken cart.

Due to a high number of recent requests, this may take up to three weeks, though if possible we will complete the job sooner. We will service your cart on your usual collection day so that it is already out. Please continue to set out your existing cart each collection day as usual.

For residences that currently do not have a cart, deliveries will take place within three business days.

Please set your cart out by 6 a.m. each collection day. Collections and cart repairs are completed by two different teams.

Thank you,

Sophia

Hi Sophia,
Thanks so much for getting back to me! The problem is we have no garbage cart/can. When can they drop off a large garbage cart?
We have nothing there besides 2 recycling bins for the duplex.

Thanks,
Chris Adams
