To who it may concern,

I would like to contest the \$322 assessment at 575 Maryland Ave W. File #J2320A Assessment # 238523. The hearing is scheduled for 5/16 at 9am 2023. I received a letter in early January from the city warning clean up, and I cleaned up the walk immediately. I also made sure every time it snowed I was over there personally making sure the walk was cleared entirely. I did not receive any other form of notice warning, or indication they were cleaning the area for the rest of the winter. Please remove this assessment, as there was no assistance from the city in clearing my walk.

Thanks
