Hey, it still shows unpaid in our system, does she have the confirmation email she would have gotten with a receipt number? It would start with STP. Then I can look up the transaction and see if maybe it was posted to a different address.

Sorry to bother you about this again but PO is really concerned. I now have proof of payment, and have it attached. Can you confirm one more time?

This charge is not paid and is still pending, maybe they sent it to the trash hauler?

Hi Lindsay

Can you confirm payment of \$5.63 for this address on July 12?
