Chair Rebecca Noecker  
Commissioner Saura Jost

Vice Chair Cheniqua Johnson  
Commissioner HwaJeong Kim

Commissioner Anika Bowie  
Commissioner Nelsie Yang

Commissioner Mitra Jalali

Dear Board of Commissioners:

The Housing and Redevelopment Authority plays a pivotal role in building the economic base of Saint Paul, increasing access to living wage jobs, quality affordable housing, and investing in building community wealth. In the past year, the HRA has facilitated a vast array of work including investment in the homeownership programs such as downpayment assistance and home rehabilitation; completion of the 1-4 Unit Housing Study and resulting zoning code changes supporting density and housing opportunity; support of tech job scholarships through the Full Stack program; and the deepening and preservation of housing affordability through our 30% AMI Deeply Affordable Housing program. Through the Inheritance Fund, we have helped descendants of families from Saint Paul's historic Rondo Neighborhood, who lost their homes to the construction of I-94 many decades ago, rebuild lost generational wealth through homeownership.

Enclosed for your review is the proposed Housing and Redevelopment Authority (HRA) budget for fiscal year 2025. The total proposed 2025 fiscal year budget for the HRA is \$53.5 million, which includes a proposed HRA property tax levy of \$6,636,903.

The proposed 2025 budget includes significant investments in the entire spectrum of housing, including serving our unsheltered community, producing and preserving affordable housing at all levels of income, and producing market rate units to increase our housing supply. It includes funding for homeownership, affordable rental housing, continuing support for small businesses and new supports for our commercial corridors and Cultural Destination Areas. We look forward to working with over the next several months to finalize the 2025 budget.

Sincerely,

Nicolle Goodman, Executive Director

## **HRA GENERAL FUND**

The HRA General Fund accounts for all HRA general financial resources and operations which are not required legally or by governmental accounting standards to be accounted for in another fund. The fund accounts for various revenues including the HRA property tax, sales of property for redevelopment purposes, interest earnings, conduit revenue bond service fees, and other revenues. Expenditures are incurred for urban renewal, redevelopment, economic development and rehabilitation as set forth in Minnesota Statute Chapter 469.
