- 14.2. Termination for Cause.** MnDOT may immediately terminate this Agreement if MnDOT finds that there has been a failure to comply with the provisions of this Agreement, that reasonable progress has not been made, that fraudulent or wasteful activity has occurred, that the Local Government has been convicted of a criminal offense relating to a state agreement, or that the purposes for which the funds were granted have not been or will not be fulfilled. MnDOT may take action to protect the interests of MnDOT of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.
- 14.3. Termination for Insufficient Funding.** MnDOT may immediately terminate this Agreement if:
- 14.3.1. It does not obtain funding from the Minnesota Legislature; or

MnDOT is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Local Government will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. MnDOT will not be assessed any penalty if the Agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. MnDOT will provide the Local Government notice of the lack of funding within a reasonable time of MnDOT's receiving that notice.

- 14.4. **Suspension.** MnDOT may immediately suspend this Agreement in the event of a total or partial government shutdown due to the failure to have an approved budget by the legal deadline. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring the Local Government to file state tax returns and pay delinquent state tax liabilities, if any.
16. **Fund Use Prohibited.** The Local Government will not utilize any funds received pursuant to this Agreement to compensate, either directly or indirectly, any contractor, corporation, partnership, or business, however organized, which is disqualified or debarred from entering into or receiving a State contract. This restriction applies regardless of whether the disqualified or debarred party acts in the capacity of a general contractor, a subcontractor, or as an equipment or material supplier. This restriction does not prevent the Local Government from utilizing these funds to pay any party who might be disqualified or debarred after the Local Government's contract award on this Project.
17. **Discrimination Prohibited by Minnesota Statutes §181.59.** The Local Government will comply with the provisions of Minnesota Statutes §181.59 which requires that every contract for or on behalf of the State of Minnesota, or any county, city, town, township, school, school district or any other district in the state, for materials, supplies or construction will contain provisions by which Contractor agrees: 1) That, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no Contractor, material supplier or vendor, will, by reason of race, creed or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates; 2) That no Contractor, material supplier, or vendor, will, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause 1 of this section, or on being hired, prevent or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed or color; 3) That a violation of this section is a misdemeanor; and 4) That this contract may be canceled or terminated by the state of Minnesota, or any county, city, town, township, school, school district or any other person authorized to contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this Agreement.
18. **Buy America.** The Local Government must comply with the Buy America domestic preferences contained in the Build America, Buy America Act (Sections 70901-52 of the Infrastructure Investment and Jobs Act, Public Law 117-58) and as implemented by US DOT operating agencies. Local Government will require the application of Buy America in all contracts eligible for federal assistance under Title 23 of the United States Code ("Title 23") and within the scope of a finding, determination, or decision under the National Environmental Policy Act ("NEPA"), regardless of funding source, if at least one contract within the scope of the NEPA decision is funded with federal funding provided under Title 23.
19. **Appendix II 2 CFR Part 200.** The Local Government agrees to comply with the following federal requirements as identified in 2 CFR 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, and agrees to pass through these requirements to its subcontractors and third party contractors, as applicable. In addition, the Local Government shall have the same meaning as "Contractor" in the federal requirements listed below.

remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

- 19.1.2. All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”).
