Hello my name is Erick,I work for Dave Barlage owner of infinite visions.

He got this letter in his PO box which she doesn't check very often anymore and he's been very very sick so you want me to check up on this

If claims there was a property clean up from October 7th October 23rd. He never got any letters concerning that clean up and we've had a tenant there since the middle of the summer.

We did have one complaint but that was taken care of .

Can you tell me who I need to talk to or can you provide the information on what this was and any pictures of video of it? If we still need to attend the hearing can it be rescheduled? I know he missed a date but this has got to be some type of mistake

Thank you, Erick c/o infinite visions
