CITY OF SAINT PAUL

BRIEFING ON SIBLEY PARK AND SIBLEY COURT LOAN MODIFICATION TERMS

May 14, 2025

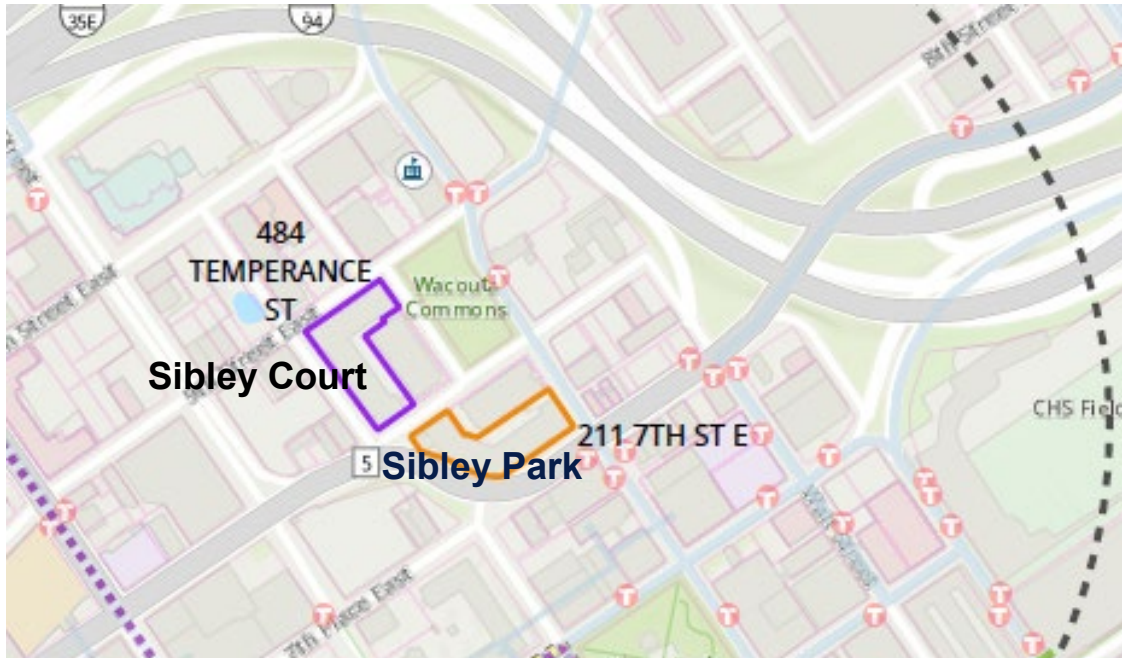

BACKGROUND

- Sibley Park is a 114-unit building located at 211 7th Street East. It opened in 2002. First floor businesses include the Buttered Tin, FastSigns and Purrrr Luxury Cat Grooming. There is 2,885 SF of vacant commercial space.
- Sibley Court is a 122-unit building located a 484 Temperance Street. It opened in 2003. Garso Mini Mart will be occupying 1,533 SF of first floor commercial space as of June 1, 2025.
- Rehabilitation of these 20 plus year old buildings is needed to ensure preservation of 236 affordable apartments for an additional 30 years.
- On June 12, 2024, the City Council granted host approval for Mounds View to issue \$45,000,000 in bonds for the project. The closing of project financing is contingent upon the subordination of the HRA and MHFA loans.

PROJECT MAP

PROPOSED PROJECT AND REQUEST

- The project is owned by Sibley Park and Sibley Court Limited Partnerships, entities of Orbach Affordable Housing Services (OAHS).
- Upon closing of the new financing, OAHS Sibley TC Limited Liability Limited Partnership will acquire the partnership interest in the properties.
- OAHS requests the \$500,000 HRA loan be subordinated to the new primary lender, and existing \$2,100,000 MHFA loans, with a commitment by OAHS Sibley TC LLLP to make annual payments to the HRA of \$15,000 for 15 years. The \$275,000 deferred loan balance will be due in year 17, (2042).
- Pending final approvals, MHFA will be subordinating its loans and receive annual payments of \$60,000 for 15 years.

Proposed Project and Affordability Levels

- The total project cost is ~\$88.8 million with \$24.4 million for rehabilitation.
- Currently rents for 60% of the units are limited to 115% of AMI, 20% at 50% AMI and 20% are unrestricted.
- With the recapitalization and rehabilitation project, affordability will be deepened with average rents of 60% AMI, ranging from 30% to 80% AMI. Rents will be restricted for 30 years until 2054.

Rehabilitation Project

- Comprehensive rehab of the building exteriors and interior common areas
- New mechanical systems
- Full interior renovation of all apartment units
- Improvement to exterior spaces and landscaping

Affordability Level
