The fee was not accepted when I dropped off the appeal. Let me know if you need it now.

Thanks,

Hello Marcia and Mai,

Just checking in and looking for an update on the status of this. It has now been three weeks since I stopped in to file the appeal, and almost 5 weeks from when I first tried to get a permit from St. Paul Regional Water Services. When we spoke last week Marcia, I believe you were going to try and talk with the Deputy City Attorney.

Thank you,

Dan Nesler

Sorry and yes. Marcia Moermond is still consulting with staff so I will let you know as soon as I can.

Thank you.

Hello,

My name is Dan Nesler. I stopped in on Wednesday last week to file an appeal in regards to my proposed water meter location as part of my basement remodeling project. When I stopped in, you took a copy of my appeal application, but did not take any payment yet, as I believe you were still looking into the details with St. Paul Regional Water Services.

I am just looking for an update on the status of my application. If you have any questions or need any information from me, please let me know.

Thank you,

Dan Nesler
