Hi Emily - With three store models varying in size and style, you can run one of the best restaurant franchises in any part of the USA with bb.q Chicken.

bb.q Chicken Express

1,000 – 1,500 sq ft

Our original and core concept. Focused primarily on affordable takeout and delivery orders.

bb.q Chicken Cafe

1,500 – 5,000 sq ft

An all-day café where guests can enjoy Korean fried chicken with friends and family. Focused on both dine-in and takeout orders, wine and beer optional

bb.q Chicken & Pub

2,500 – 5,000 sq ft

Korea's No. 1 Chi-Mac (Chicken & Pub) brand. Focused primarily on dine-in and bar service; wine, beer and soju
