To whom it my concern (Great People of the City of St. Paul),(Angie DSI)

Shamrock Irish Nook will be hosting a St. Patrick's Day event Saturday March 14th - Tuesday, March 17th 2026. This will be our 20th - year anniversary and we are very excited to celebrate this wonderful tradition.

We will have both music inside and outside this year, and like previous years we have a plan to have all amplified sound to end outside at 12:00am sharp on Sat and 11:00pm sharp on Monday. We will have extra security due to that it falls on a Tuesday, as well as some St. Paul police to provide a happy and safe environment for our guests and the neighborhood.

Extra Porta Potties have been ordered for people to take advantage off, and heaters are being brought in for the cool evening. We will be offering food throughout the day and night and encourage the neighborhood to engage in some Irish fare.

The tent will be put up Friday the 13th at around 2pm.

The main event and liquor extension is for:

Saturday, 3pm – 12am for overflow (not expecting really anything);

Sunday/Monday, DAY{s} OF REST.

Tuesday March 17th, 9am-11pm

Dear Friends and Neighbors,

This St. Patrick's Day we would like to extend our warmest welcomes to the neighbors in the community and celebrate the festivities with us. We will be having live Irish Music Tuesday March 17th. Please join us either inside for exciting times with your friends, or meet new friends in our enclosed heated tent found in the parking lot in the back of Shamrock (995 west 7th street, St. Paul) Beer and food will be served outside in the tent till 12 midnight and the sound for any of our live music will end at 11pm sharp in the tent and carry on inside till close.

Again, please join us for our 20th Annual St Patrick's celebration, and don't forget to wear your GREEN!!!

We will start to put the tent up Friday March 13th, and may have an event for overflow on Saturday March 14th if demand calls for it... However we are not booking any Live performances for that day. If there are any concerns you have before or during these events please contact us 651-228-9925. The city would also like you to know. If any person has comments about the proposed temporary extension of liquor service they are encouraged to telephone the public information and complaint office at 651-266-8989.

Thanks and happy St. Patrick's Day
