Mai

Thank you for sending me all the documentation and the videos. It appears that the letters were sent to an address that is not ours on both accounts so we were never informed of such a timeline. Also - it's the same sidewalk, yet because we have two different PID's (under one ownership), we are being charged x2. I will be prepared to discuss this on our call on Tuesday next week. Thank you in advance.

I would like to be on the schedule to contest this assessment. Additionally, we need to see any such photos that would show why and what we are being assessed for. We had snow removal contracting in place and have received no other such notice of any abatement at that property.

I am once again, having to use my gmail work account to email you because the City has my ahafdahl@hbgltd.net blocked and I cannot send from that email account but I can receive.

Thank you.
