Subject: CVS on Snelling and University

You don't often get email from kimdeprenger@yahoo.com. [Learn why this is important](#)

I would like to express my concern about the empty CVS on Snelling and University. It is prime real estate for the neighborhood, Please vote to demolish the building! If possible, please vote to heavily tax the owner because the taxes/penalty must be so cheap that it pays for the owner to hold on to it.

Thank you for listening

Sincerely,

Kim Deprenger
